

# December Preschool Press 2023

## And the Transition Begins...

As many of you know, I will be retiring at the end of July.

The Preschool Committee has hired Katie Williams, our current assistant director, to replace me. Katie and I are working together to make this transition seamless. I am excited for Katie and the preschool families as Katie takes over leadership as the new director. In January, the Preschool Committee will begin the process of hiring a new assistant director. Once hired, Katie will begin the training the new assistant, as she continues to learn more about her own new role.
