NEW ASSISTANT DIRECTOR NAMED

We are excited to announce that Rachael Blankenbiller has been selected as the new assistant director. Rachael has been with the preschool since 2016, and has served in numerous roles within the preschool. She will be an excellent assistant to Katie Williams as they lead the preschool into the future. The start date for their new roles will be August 1st, 2024. In the meantime, they are both being trained in all aspects of the preschool. Over the summer months, we will make a seamless transition as Katie takes over the position of director. We are excited for the future of the preschool.

We are have a new logo! Look for us on Instagram and Facebook

VALENTINE'S DAY CELEBRATION

We will be celebrating Valentine's Day on February 12 and 13. The children may bring Valentines for their friends. Your child's name should be written on the card. However, please leave the outside of the envelopes blank. If you are unsure as to how many children are in the class, either contact your child's teacher or call the preschool office. The children will deliver their cards, while engaging in dramatic play. Luckily the cost of postage at the preschool is simply a smile.

SIGN-UP FOR CONFERENCES

A Developmental Study has been prepared for each of the children enrolled within our program. The study evaluates where the children are in terms of their social skills, emotional development, motor skills (small and large), as well as their academic preparedness. Conferences will be held February 14 and 15. If you have not signed up for a conference, please reach out to your child's teachers.

REGISTRATION FOR 2023-2024

Hopefully everyone has turned in his or her application for the fall. If you have not done so, PLEASE contact the preschool office immediately, as we are unable to hold spaces for students without the proper application forms. Remember, you are able to make payment arrangements for the registration fee of \$145.00. New student registration is now underway, and some of the classes are nearly full or already full, so please check with the office for availability.

CLASSROOM THEMES FOR FEBRUARY

Groundhog Day (Shadows)

Birds in the Winter

Friendship

Valentine's Celebrations

Ocean Life

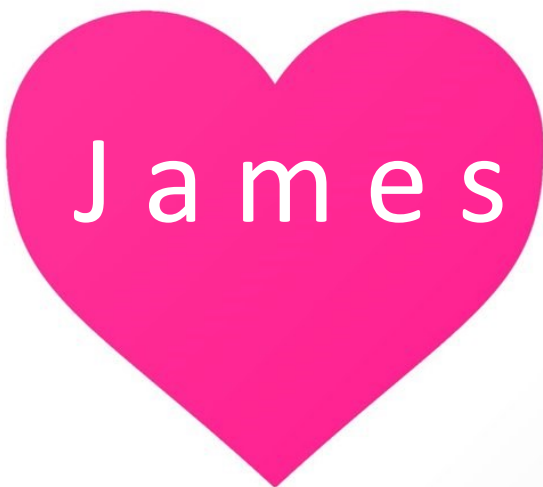

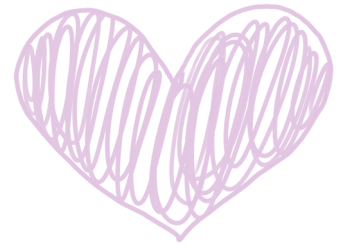

Numbers, Numbers Everywhere

Being a Good Neighbor

Post Office

Dinosaurs

Going to the Dentist

Valentine's Day Name Puzzle
Cut out a heart shape. Write your child's name on the heart shape. Cut the heart into long pieces with one letter on each piece to form a puzzle for your child.

Have fun!
