Mrs. Bailey is Retiring

Our dear friend, Mrs. Bailey, is retiring at the end of the school year. Mrs. Bailey has been a teacher at HUMC Preschool for the past 47 years. She has touched the lives of countless children and their families throughout the years. We are grateful for all of her hard work, dedication, and inspiration she has brought to the classroom. She has been a peer, a mentor and a friend to the staff throughout the years, and her legacy will continue on through what she has taught us through her actions and example.

Congratulations Mrs. Bailey on your retirement, we hope it is as amazing as you are!

Playground

Our playground is a fun and engaging place to play before and after school, but did you know that the playground is open to all of our families during the summer months? You are more than welcome to play, have lunch or meet up with friends on the playground. Did you also know that the children know all the rules of the playground? The children know that they are to go down the slide feet first, that the sand stays in the sandbox, no running in front of the swings and so forth. Next time you are on the playground with your child, ask them what the rules of the playground are at preschool.
