

# ~Preschool Happenings~

December 2024

We want to wish all of our wonderful preschool families a very Happy Holiday Season and a Happy New Year! We will be sharing Chapel Time with Ms. Lindsay this month and having our Preschool Christmas Concert. Included in this month's newsletter is a schedule for the concerts. The teachers also sent home an invitation. Siblings and grandparents are welcome to come! On your child's day, you will drop your child off at their class door and then enter the building through the Social Hall doors under the awning. We will be singing in the Sanctuary. After the concert, we will dismiss the children to the parents and then make your way to the Social Hall to a photo spot to get pictures and some activities to take home to do as a family!

We cannot wait to share our holiday cheer with you!
