February 2025

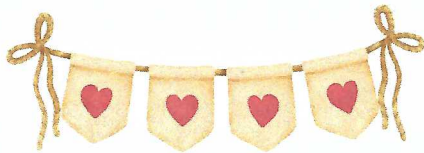

Parent Teacher Conferences

Our teachers have been working on assessments with each child in their class and they have completed a Developmental Report. The report includes where the children are in terms of social skills, emotional development, motor skills (fine and large) as well as their academic preparedness. Conferences will be held on Wednesday, February 12th and Thursday, February 13th. Teachers have begun reaching out on how to sign up for a conference. If you have any questions, please reach out to your child's teacher. There is no school on these two days.

Parent/Teacher conferences are a special time for discussing your child's progress. We kindly ask that only parents attend to ensure a focused and productive conversation. Thank you for your understanding!

Preschool Registration 2025-2026

Preschool registration is in full swing! Our classes are filling up very quickly and some classes are already full. If you haven't registered your child for next school year, PLEASE do so as soon as possible. Let us know if you need assistance with our new Five Star Registration System. We can make payment arrangements for the registration fee of \$165 if necessary. Please contact Katie or Rachael with questions!
